Worthy of mentioning, we will be set up in time to also put on a Mid Range Match at the same time. To allow more shooters at one time and better to aid in multiple range shooting. We may not have all ready for the January Match, but be prepared. Figure 10 rnds. at 200yds. 10 rnds. for 300yds. and 10rnds. for 600yds.. That is at least 30rnds of (black powder) for the mid range, this is 200 prone and or standing, 300 prone and or sitting-kneeling and 600 prone. This match can flip flop from month to month, prone one month and position the next. A \$10.00 fee to shoot this game with 1st, 2nd, and 3rd place to be awarded. Plus, there would be \$3.00 Target Setter fee as well, this aids everyone and helps to speed things along. There will be coffee at the site. The Mid Range targets are scaled Buffalo, so the awards will be Buffalo Pins. To shoot through both matches, the fee is \$23.00. Time for starting @ 9AM, light conditions. If You plan on attending, advance notice would be great. See You all there!
